HIS DOLLAR Would Have Gone Farther

The story is told that George Washington when a youth hurled a gold coin across the Potomac River on a wager. In his later life he must often have looked back with regret upon his boyish prank.

GET THE SAVING HABIT

There may be many a dollar left upon the river bank of careless expense to be swept away unneeded, that, deposited in a savings bank, would multiply itself for you.

Peoples State Bank OF FARMINGTON

proof. . . there is a difference in FERTILIZERS

HERE is proof—proof of extra yields, better quality, earlier maturity, larger profits—made with "AA QUALITY" Fertilizers.

Read the letters printed at the right. They are from successful farmers who use sound farming methods and "AA QUALITY" goods.

These and thousands of similar letters prove that, whatever crops you grow, "AA QUALITY" Fertilizers will help you get more profit for every dollar invested.

The superior crop-producing power of "AA QUALITY" Fertilizers is due to—

1. Great care in selecting the materials from which the plant-food elements are derived.
2. Formulas based on a thorough knowledge of local crop and soil conditions; formulas continuously checked and studied by a group of experts; formulas tested by over 60 years of successful crop production.
3. Perfect mechanical condition, assured by extra care and the most exacting standards of manufacturing.

This year feed your crops with "AA QUALITY" Fertilizers—and let your crops feed your bank balance. Insist on getting "AA QUALITY" Fertilizers from your dealer.
