

Leap Year

Father Time hangs an extra day on the calendar this year—an extra day to work, play and save.

Let's not forget the last. If saving hasn't received the attention it should have before, let's start saving now.

This bank which is here to serve you in all your banking needs has a savings book for you.

The Shoe Business As Manufacturers See It Today

World shortage of Hides, surplus leather from the war period has been consumed.

Hide prices have advanced 65 per cent within a year, even greater.

Says a prominent jobber: "Our shoes are not yet priced on today's market."

We have just received a large shipment of—
PUMPS, STRAPS AND OXFORDS
which are still priced right. Call in and look them over.

We handle

The reason such large percentage of our customers have been with us many years is the fact that we deliver satisfaction with every ton of coal we sell.

In other words, what we deliver is ALL coal, free from clinker-forming slate and forming a minimum of ash. That's because of careful inspection of every carload before we accept it.

Our customers' confidence is our most precious asset.

The Sleep Of Ease

Sleep is the rebuilding time. In this time of repose the body acquires enough energy to carry it through the rest of the day.

Restless Sleep
Drains Energy

Nervousness spoils sleep. But chiropractic calms the nerves by readjusting the spinal column that guards the nerve cords.
