

WEST POINT PARK

Mrs. William Zwahlen,
Phone 227F3

Mr. and Mrs. Robert Frederick were the Sunday dinner guests of Mrs. Frederick's sister, Mrs. Strassburger, of Nebraska avenue, Detroit.

Miss Robbie Tinsley, principal of Pierston School, was in Detroit Saturday and attended the theatre.

The North End Circle, No. 4, will give a "pie-walk and hop" on March 17th at the Community Hall.

A meeting of the voters of Pierston district has been called for Thursday evening, March 8, to discuss the matter of annexing the two adjoining districts and also of building additions to Pierston School.

The Adult Bible Class will hold its regular meeting Tuesday evening, March 13 at the Community Hall.

Mrs. Marion Addis and Mrs. Ed. Stromski were Jackson visitors last week.

Mr. and Mrs. Albert Owen and family returned home Sunday evening from Niles, O., where

they motored to attend the funeral of a brother, William Owen, Thursday.

Mrs. Sila Galinor and son, Clarence, of Detroit, who has been visiting the former's mother, Mrs. John Hill, for a few days, returned home Sunday.

Miss Esther Middlewood of the University of Michigan spent the week end with her mother, Mrs. Ethel Middlewood.

Miss Shirley Zwahlen was the guest of Miss Dorothy Gerze Saturday and Sunday.

Misses Ernestine and Lucille Wolfe, Vivian Addis, Beulah and Jean Gullen, Robert Hunter, George and Homer Middlewood attended a surprise birthday party given in honor of George Gullen Jr., of Nebraska avenue, Detroit, Saturday evening.

Jess Ziegler and son, Gerald, left last Friday for Texas.

Mr. and Mrs. Ervin Bollinger (nee Ada Middlewood), surprised West Point Park residents last week when they went to Toledo and were married. The couple are making their home in the Beebe house in Westmore sub.

A splendid meeting of the P. T. A. was held Friday night. The school children's program the top

le, the discussion, all were interesting. The old officers retired at this meeting.

The entire community extends their heartfelt thanks to Mrs. E. Middlewood and her entire "family" for their faithful work.

The program was interesting. A negro plantation scene was worked out with plantation songs. Miss Ethel English, high school teacher, sang vocal solos. Miss Tinsley, another teacher in the high school, gave a very interesting talk on the social life of a child.

Mr. George Gullen led a general discussion of the social life of a child. As this was the annual election of the P. T. A. officers for the coming year the following people were elected:

Mrs. Earl Wolfe, president; Mrs. Emerson Ault, vice president; Marvin Addis, secretary; Mrs. Charles Taylor, treasurer.

NOBLE SCHOOL NOTES

Upper Room

Alice Pierce of the Ferndale schools enrolled in our room during February in the eighth grade. Paul Beck moved to Detroit, there by depriving us of a good baseball player for the coming season.

Our Valentine party was quite a success.

During the past month the 8th grade civics class took part in some drills on parliamentary law. The feature was a mock school meeting. Judging from the views of the voters at this assembly they will make excellent guardians of a treasury as they were absolutely against expending any money except for playground equipment.

A group of our pupils are going to visit the Franklin School for a spelldown sometime in the near future.

The following pupils have done excellent work in their grades during the past month: Gordon Wilkinson, Arline Oldham, Dorothy Weischen, Paul Smith, Kenneth Graham, Lucille Jacobs, and Dolores Reavette.

The seventh grade is engaged at present in making hygiene books. Work in orthography and reading will begin the first of March.

Lucille Jacobs and Dolores Reavette have been acting as cooks in our hot lunch club for the past month. They are considering the management of a barbecue this summer, the location to be the corner of Switzer and Conroy road. Frank Kerr, Kenneth Graham, and Fred Brooks have already filed applications for positions in this establishment.

We have had several exciting hockey games in our private skating rink which is situated in the woods east of the school. The contests have been close and rough.

Stops Coughs Quickly—Healing, demulcent.

"I was bothered with a hard persistent cough, but found no other remedy so good and so quickly relieving as Foley's Honey and Tar Compound," says E. Bogness, Pomona, Calif. Coughs and throat irritations, hard bronchial coughs, lingering "A" coughs, almost instantly stopped. It combines the curative influence of pure pine tar and the mollifying demulcent action of fresh clear honey with other healing ingredients. A boon to those who suffer from troublesome night coughs. Ask for Foley's Honey and Tar Compound. Sold Everywhere.

STATE OF MICHIGAN.
The Probate Court for the County of Oakland.

At a session of said Court, held at the Probate Office in the City of Pontiac, in said County, on the second day of March, A. D. 1928.

Present, Hon. Dan A. McGaffey, Judge of Probate.

In the Matter of the Estate of JAMES B. HALSTED, Deceased. Frances A. REGISTRATION NOTICE

To the Qualified Electors of Farmington:

Notice is hereby given that in conformity with the Michigan election law, I, the undersigned City Clerk, will upon any day except Sunday and a legal holiday, the day of the regular or special primary election receive for registration the name of any legal voter in said city not already registered who may apply to me personally for such registration.

Provided, however, that I can

receive no names between the second Saturday before any regular special of official primary election and the day of such election.

Notice is hereby given that I will be at the Fire Hall in the City of Farmington Saturday, March 10, 1928 and Saturday, March 17 from 8 a. m. until 8 p. m. for the purpose of receiving the registrations and registering such of the qualified electors in said city as shall properly apply therefor.

N. H. POWER,
City Clerk.

We handle

The reason such large percentage of our customers have been with us many years is the fact that we deliver satisfaction with every ton of coal we sell.

In other words, what we deliver is ALL coal, free from clinker-forming slate and forming a minimum of ash. That's because of careful inspection of every carload before we accept it.

Our customers' confidence is our most precious asset.

World's Greatest Value altogether or part by part

Aside from such self-evident superlatives as its brilliant performance, beauty and quality that you can see and feel in the very upholstery, the wheel you handle and the hardware you touch—

Please Compare With Any Car

—the advantages we have itemized here because they speak for the complete quality way in which the New Essex Super Six is built—bring seen or unseen.

The Four-wheel brake used on the Essex Super Six is the same type used on commercial trucks and is as safe as the softest of control that associate only with high priced cars.

The instrument board includes motometer, gasoline gauge, oil gauge, speedometer and ammeter.

The Essex Super Six high compression motor is patented and exclusive, and is so far as we know the most powerful and efficient motor of its size in the world.
