

## In Saving Soles--

As in saving souls, a great deal depends on having the right stuff underneath.

If you would save those shoes that have perfectly good uppers for several months' extra wear, hasten to us with them, before the inner sole is worn beyond hope.

Our service will please you.

Sunday guests at the home of Mr. and Mrs. Carl Beensteel were Mrs. R. Beensteel, Miss Lena Beensteel, Mr. and Mrs. G. Hatcher of Detroit.

### FARMINGTON WOMAN'S CLUB MEMBERS GUESTS OF MISSIONARY GROUP

The regular meeting of the Farmington Woman's Club was held conjointly with Group No. 3 of the W. H. M. S. of the Methodist Church, Wednesday, February 29 at Community Hall. The members of Group No. 3 were hostesses, and furnished entertainment in the form of a playlet brimming with fun. The costumes worn by many of the players were striking, stunning, superb, or (supply your favorite adjective). Tea was served.

The next regular meeting will be held Wednesday, March 21, at the home of Mrs. Harrison Johnson. Please note that the date is one week later than that announced in the year book. A debate under the leadership of Mrs. Trice and Mrs. Irish is to be the feature of the program.

Helen L. Hard, Cor. Sec'y.

TO THE VOTERS OF THE TOWNSHIP OF FARMINGTON  
I wish to announce myself as a candidate for Township Treasurer. Have been a resident since boyhood and a voter and taxpayer for the past 18 years in this township. If nominated and elected, will collect taxes at both banks which has been customary in the past. Your support will be appreciated.

MARK D. BACHELOR.

CARD OF THANKS  
We wish to thank our friends and neighbors for the kindness and sympathy shown us during our recent bereavement and for the beautiful offerings.

We extend our thanks to Rev. Schoen and to those that furnished conveyances.

Jacob Essig and Sisters.

Short Talks By Thoughtful Mothers

A Pennsylvania Mother says: "I know the worth of Foley's Honey and Tar Compound. We used it for year, and it has never failed us. For groupy children, feverish colds, disturbing night coughs, it gives us a feeling of security to have Foley's Honey and Tar Compound in the house." No opiates, no chloroform. Foley's Tar Compound carries a strong appeal to thoughtful mothers everywhere. Ask for it.

Sold Everywhere.

### FRANCIS PARKMAN

"A historian may safely prophesy that many more reviled today will shine upon the pages of history read by the next generation."

Every man is making history; each man may leave his impress upon his generation and upon the profession to which he belongs.

## Farmington State Savings Bank

"The Old Bank on the Corner"

## Prize Potatoes Grown with "AA QUALITY" Fertilizer

MICHIGAN GROWER WINS PRIZES WITH "AA QUALITY" Mr. John C. Wink, of St. Louis, Great Co., Mich., says: "I have been showing farm products at the Michigan State Fair and Chicago International for 3 years with very good success. Five consecutive sweepstakes cups on wheat, two on potatoes and five on beans, barley, oats and soy beans, and two on beans at the Michigan State Fair; two world's championships on soy beans, and two on beans at Chicago in the past three years. I used 'AA QUALITY' Fertilizer on all my crops, and find they especially fit into my scheme of livestock, sweet clover, and a cultivated crop, thereby making a balanced ration for the farm."—October 4, 1927.

FERTILIZER A PAYING INVESTMENT  
Mr. John A. Dornberger, Warren, Huntington Co., Ind., says: "We used 100 lbs. per acre of 'AA QUALITY' Fertilizer purchased from the Warren Elevator Co., and now we are harvesting a fine crop of quality corn which will yield 50 bushels per acre. Had the corn got the right size in the spring, I feel sure it would have made 65 bushels per acre. I shall always make sure of using 'AA QUALITY' Fertilizer, as it paid a good return on its cost this year."—November 21, 1927.

14000 PER ACRE FROM ONIONS  
Mr. Roy Baldridge, of Davison, Genesee Co., Mich., says: "This year I used 100 lbs. of Homestead Fertilizer 'AA QUALITY' per acre on my 7 acres of onions. The yield was approximately 100 bushels per acre of salable onions, which are bringing me \$1.25 per bushel, due to the fact that they matured early and are of the best quality."—October 4, 1927.

Last season Messrs. E. W. Lincoln & Son, of Greenville, Montcalm Co., Mich., achieved outstanding results with their potato crop. Their yield was the largest in Montcalm County—304 bushels per acre on five acres. They won the Rotary Cup Prize for the highest yield, and several first premiums at the 1927 Greenville Potato Show. Here is what E. W. Lincoln & Son wrote on October 29, 1927:

"We are sure that a liberal use of 'AA QUALITY' Fertilizer helped us to get the Rotary Cup prize for the highest yield in Montcalm County—304 bushels per acre on five acres. We also won first premiums on several of the leading classes at our 1927 Greenville Potato Show. We would not think of growing potatoes without good fertilizer."

These successful growers, like thousands of others the country over, have found that "AA QUALITY" Fertilizers produce extra yields and better quality.

"AA QUALITY" goods are guaranteed by the largest fertilizer company in the world. They have back of them sixty years of fertilizer experience—and what is more, sixty years of successful crop production.

Use "AA QUALITY" Fertilizers this season for maximum yields of top-quality crops—and maximum profit too.

## "AA QUALITY" FERTILIZERS

### Sold under a Double Quality Guarantee

1st Guarantee  
on the front of each bag is one of the following famous "AA QUALITY" Fertilizers made to meet the exact needs of your soil.
