## PIERSON SCHOOL NOTES

Elementary Grades

We have been interested in the people and customs of Holland this past week.

Gerald Ziegler has just returned from Texas and Mexico. We are very fortunate to have quite a collection of southland products in our room.

We have several posters suggesting very good reasons why you should choose West Point Park for one's future home.

We are learning all we can about the Dutch people and Holland.

The kindergarten, first and second grades have almost finished their Dutch table. They have the windmill, Dutch boys and girls, milk carts and dogs all made, and are ready to make the tulips for the fields.

The third grade have been working on their windmill spelling books. Several of the second and third graders have earned gold stars for spelling this last week. The kindergarten and first graders are very proud of their Dutch shoes, which they made last week.

## CARD OF THANKS

We wish to thank the friends and neighbors who were so kind to us in our bereavement; also Mrs. Harold Daines and Mrs. Edward Keith for their singing and Rev. E. W. Palmer for his consoling words.
