

THOMAS MOORE

Oh, that my soul would
shine this night
To guide my faltering
footsteps right.

To honor our profession
by faithful, dignified ser-
vice and to act with due
regard for the feelings of
others is our plan and
habit.

Fisher Bodies

Chevrolet is the lowest priced car in
the world offering hard-wood and steel
bodies by Fisher.

Adjustable Valve Tappets

The improved valve-to-head motor of
the new Chevrolet has adjustable valve
tappets.

"Invar Strut" Pistons

Constant clearance alloy pistons de-
signed with two "invar strut" in each
make the Chevrolet motor smoother,
quieter and more powerful.

Rugged One-Piece Rear Axle

The rear axle of the Chevrolet is a
rugged one-piece unit proved by mil-
lions of miles of use.

Ball Bearing Steering Gear

The steering mechanism of the new
Chevrolet is fitted with ball bearings
throughout.

Non-Locking Four-Wheel

Brakes
Chevrolet's four-wheel brakes are non-
locking, have an area of 199 sq. in. and
are separate from the emergency
brake.

Genuine Duco Finishes

All Chevrolet models are finished in
smooth shades of genuine Duco which
maintains its lustrous new car beauty
indefinitely.

Crankcase Breathing System

A ventilating system which clears the
crankcase of vapors prior to combus-
tion, adds materially to motor life.

AC Oil Filter

Strains out dirt and foreign material
from the motor oil thereby increasing
the life of all moving parts inside the
motor.

AC Air Cleaner

An AC Air Cleaner is another motor
safeguard which removes dust and
grit from the air drawn into the cam-
bustion.

Semi-Elliptic Shock Absorber

Springs
Comfort and safety over all roads is en-
sured by Chevrolet's semi-elliptic
shock absorber springs set parallel to
the frame.

Safety Gasoline Tank

All Chevrolet models have a safety
gasoline tank in the rear and a vacuum
fuel system which serves positive gas-
oline supply even on the steepest hills.
