MORTGAGE SALE

Default having been made in the conditions of a certain mortgage made by Melvina Pickett, a widow of the village of Farmington, Mortgagor and John Bollens and Marie Bollens, his wife of the village of Farmington, Michigan, dated the 19th day of July, 1925 and recorded in the office of the Register of Deeds for the County of Oakland, State of Michigan, on the 14th day of July, 1925 in Liber 368 of Mortgages, on pages 81-4 and by reason of the said default the power of sale contained in said mortgage having become operative, on which mortgage there is claimed to be due at the date of this notice for principal and interest, the sum of \$1489.24 and an attorney fee as provided by law, and no proceedings at law having been instituted to recover the money secured by virtue of the power of sale contained in said mortgage and the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises at public vendue, to the highest bidder, at the Eastern or Saginaw Street entrance to the Court House in the City of Pontiac, Michigan, that being the place where the Circuit Court for the County of Oakland, State of Michigan, is held, on the thirty-first day of March A. D. 1928 at nine o'clock in the forenoon Central Standard Time:

The description of which said premises contained in said Mortgage is as follows:

All the lands, premises and property situated in the village of Farmington, County of Oakland and State of Michigan; to-wit: Lots 4 and 5 of Pickett's subdivision, or part of the west half of the northeast quarter, Section 28, Town 1 North, range 9 east, in village of Farmington, according to Plat thereof as recorded in Liber 26 of plats, page 11 Oakland County Registers Office.

Dated January 5, A. D. 1928.
Marie Bollens.
John J. Schulte, Jr.,
Attorney for Marie Bollens
Peoples State Bank Bldg.,
Farmington, Michigan.

5Jan-Mar 29

STATE OF MICHIGAN.

The Probate Court for the County of Oakland.

At a session of said Court, held at the Probate Office in the City of Pontiac, in said County, on the second day of March, A. D. 1928.

Present, Hon. Dan A. McGaffey, Judge of Probate.

In the Matter of the Estate of JAMES B. HALSTED, Deceased. Frances A. Halsted, having filed a petition praying that an instrument filed in said Court be admitted to Probate as the last will and testament of said deceased, and that administration of said estate be granted to Frances A. Halsted, the executrix named in said Will or to some other suitable person.

It is Ordered, That the ninth day of April A. D. 1928, at nine A. M. Eastern Standard Time, at said Probate Office, is hereby appointed for hearing said petition: It is Further Ordered, That public notice thereof be given by publication of a copy hereof, for three successive weeks previous to said day of hearing, in the Farmington Enterprise, a newspaper printed and circulated in said County.

DAN A. MCGAFFEY, Judge of Probate.

A true copy.

Florence Doty, Deputy Register of Probate.

PRESIDENTIAL PRIMARY ELECTION

Notice is hereby given that a Presidential Primary Election will be held on

MONDAY, APRIL 2, 1928 at the Town Hall in the City of Farmington, State of Michigan at which election the qualified voters of the several political parties of the City of Farmington shall have the opportunity on separate ballots provided for the purpose to express their preference for the office of President of the United States.

The polls of said election will be open at 7 a. m. Eastern Standard Time and will remain open until 8 P. M. Eastern Standard Time of said day of election.

N. H. POWERS, City Clerk.

March 15, 22, 29.

For HEALTHY CHICKS use

DICKINSON'S GLOBE ALL-MASH STARTING RATION

Chick Health, the greatest single factor in poultry success, depends first of all on **CLEAN FEED**. The Globe All-Mash Method does away with scratch feed and thus eliminates contamination from diseased litter and floors. This feed is as clean as the food you eat.

Well Balanced Growth is also assured by Globe All-Mash Starting Ration. Just enough minerals to build good frames; a variety of proteins to make flesh, feathers, nails, combs and wattles; a variety of vitamins to promote healthy functioning of organs; carbohydrates to give energy palatability to insure contentment; maximum digestibility to insure maximum results. Neither too little or too much—just right—a complete ration—fed just as it comes from the bag, and proven successful by extensive test and wide spread use. Less feed is wasted because it is not scattered in litter. Work is saved because the Globe Method calls for self-feeding in hoppers.

**SAVE FEED
SAVE CHICKS
SAVE LABOR**

TRY IT!

ALL-MASH
Hopper Fed—No Scratch Grain Needed

Prize Potatoes Grown with "AA QUALITY" Fertilizer

Last season Messrs. E. W. Lincoln & Son, of Greenville, Montcalm Co., Mich., achieved outstanding results with their potato crop. Their yield was the largest in Montcalm County—304 bushels per acre on five acres. They won the Rotary Cup Prize for the highest yield, and several first premiums at the 1927 Greenville Potato Show. Here is what E. W. Lincoln & Son wrote on October 29, 1927:

"We are sure that a liberal use of 'AA QUALITY' Fertilizer helped us to get the Rotary Cup prize for the highest yield in Montcalm County—304 bushels per acre on five acres. We also won first premiums on several of the leading classes at our 1927 Greenville Potato Show. We would not think of growing potatoes without good fertilizer."

MICHIGAN GROWER WINS PRIZES WITH "AA QUALITY"—Mr. John C. Wick, of St. Louis, Grout Co., Mich., says: "I have been showing farm products at the Michigan State Fair and Chicago International for 3 years with very good success. Five consecutive sweepstakes cups on wheat, two on potatoes and first on beans at the Michigan State Fair; two world's championships on soy beans, and two on beans at Chicago in the past three years. I used 'AA QUALITY' Fertilizer on all my crops, and had they especially fine my scheme of livestock, sweet clover, and a cultivated crop, thereby making a balanced ration for the plants."—October 4, 1927.

FERTILIZER A PAYING INVESTMENT—Mr. John A. Doversberger, Warren, Huntington Co., Ind., says: "We used 100 lbs. per acre of 'AA QUALITY' Fertilizer purchased from the Warren Elevator Co., and now we are harvesting a fine crop of quality corn which will yield 30 bushels per acre. Had the corn got the right start in the spring, I feel sure it would have made 65 bushels per acre. I shall always make sure of using 'AA QUALITY' Fertilizer, as it paid a good return on its cost this year."—November 21, 1927.

\$1,000 PER ACRE FROM ONIONS—Mr. Roy Baldridge, of Davison, Genesee Co., Mich., says: "This year I used 750 lbs. of Homestead Fertilizer ('AA QUALITY') per acre on my 7 acres of onions. The yield was approximately 800 bushels per acre of saleable onions, which are bringing me \$1.25 per bushel, due to the fact that they matured early and are of the best quality."—October 4, 1927.

These successful growers, like thousands of others the country over, have found that "AA QUALITY" Fertilizers produce extra yields and better quality.

"AA QUALITY" goods are guaranteed by the largest fertilizer company in the world. They have back of them sixty years of fertilizer experience—and what is more, sixty years of successful crop production.

Use "AA QUALITY" Fertilizers this season for maximum yields of top-quality crops—and maximum profit too.

"AA QUALITY" FERTILIZERS

Sold under a Double Quality Guarantee

1st Guarantee
On the front of each bag is one of the following famous old names that stand for a fertilizer made to meet the exact needs of your soil.

Homestead Horshoe
