Mothers of little children, especially those who will enter school next year, are urged to meet the Farmington school nurse in the eighth grade room Tuesday, May 1, at 3:30 o'clock. In celebration of the one-day, nationally known as Child Health Day, Miss Safford has arranged to meet the mothers for a general talk about the ideals of health, and the splendid things which should be considered before starting a child to school.

Miss Safford will be glad to talk with the mothers individually after this meeting, or by appointment, in the hope of bringing the healthiest class of all in to the school next year. Mothers are urged to "bring your neighbor."
