Mothers Won't Soon Forget It!

Mother's Day was a glorious one! More sons and daughters (and husbands, too!) remembered Mother's Day than ever before. And Mother won't soon forget it.

But here's just a little thought:—Wouldn't it be a good idea to remember Mother—not just one day in the year— but often? Wouldn't it make her immensely happy—and you too—if you'd send frequently a little token of love—showing her that YOUR Mother's Day comes not once a year—but every day? Of course it would!
