H. S. TEAM WILL TRY TO RUIN EXCHANGE CLUB'S 'PERFECT' BALL RECORD

With the outcome still in doubt, efforts are being made to assure for next Tuesday the baseball game between the Exchange Club

and the Farmington High School team. The event is an annual classic, and members of both aggregations are eager for the fray.

The High School team has a clean record of victories, and the Exchange Club also is undefeated this year.

High school supporters point out that the reason the Exchange Club hasn't lost a game is because they haven't played any, but Exchangeists declare that has nothing to do with the result, which they are certain will be a shut-out for the high school and an easy win for the business-men.
