

PRESIDES FOR I. O. O. F.

### LETTERS TO THE EDITOR

Editor,  
Farmington Enterprise.  
Dear Sir:

It doesn't seem reasonable but the writer is not fully satisfied with our new School Board in spite of the fact that he voted for all five of the members.

Here is the explanation. I seriously doubt if the personnel of this Board correctly represents the wishes of the majority of qualified voters who attended the last two annual meetings. The reason for this result is quite obvious. The methods employed to nominate candidates makes it altogether too easy for a small but well organized minority to defeat the wishes of the majority.

Even if the motives of that minority are above reproach the results are diametrically opposed to the principles of democracy, and therefore incompatible with the best interests of our school system.

To my mind a much more efficient and satisfactory system for we Americans can be found. Suppose, for example, that every voter present last Monday evening had had the privilege of writing on a ballot the names of the three citizens whom he or she believed were best qualified to serve on our School Board. Suppose the six highest were nominated. Then suppose another ballot had been taken and the three highest of the six candidates were elected.

Don't you think that method would have more accurately represented the true sentiment and wishes of the majority? Don't you think it would reduce petty politics and minority control to a minimum?

If you do let's be better Americans and adopt this plan, or a still better one, at the next annual meeting.

Sincerely yours,  
—F. De Vere Fleming.

Master of ceremonies for the third annual birthday party of Clarenceville Lodge, I. O. O. F. Friday and Saturday evenings, will be Neal Tomy, chief announcer of radio station WCX. Mr. Tomy, whose voice is familiar to many thousands, will be present throughout both evenings and will present the various stars on the program in his interesting way.
