GET YOUR STICKER

Michigan's special accident-prevention campaign will come to an official end on June 30. In the meantime there is plenty of opportunity for every owner of an automobile to have his car examined for faulty mechanism, brakes, lights, or anything likely to make safe and careful driving impossible. Not only is an official sticker on your car a sign that you are a careful driver, willing to abide by the rules of the road, but it is a badge of good citizenship as well. Don't let the end of the campaign come without complying with this simple request.—M. P. B.

An undiplomatic credit man can do more damage in a day than a corps of salesmen can repair in a week.

SEASONABLE GOOD THINGS

On a warm day when hot food does not appeal to the appetite, a dish of pressed meat, or a mold of meat or fish in jelly is a most appetizing dish.

Halibut in Tomato Jelly.—Select two medium-sized slices of Season with salt, pepper and lemon juice, then steam until tender—about twelve minutes. Cool and divide into eight fillets, free from skin and bone. To prepare the jelly, cook a quart of tomatoes for fifteen minutes, add one pint of water, one small onion stuck with four cloves, one teaspoonful of salt and two teaspoonfuls of sugar, one-eighth teaspoonful of cayenne, a stalk of celery diced and six peppercorns. Press through a sieve, add one teaspoonful of salt and one-fourth teaspoonful of pepper, four tablespoonfuls of vinegar, and the juice of one lemon. Boil and add the whites and shells of two eggs, boil up and strain. Use a shallow mold and pour in a layer of the aspic; chill and when firm arrange on this the eight pieces of fish; pour enough aspic over the fish to hold them in place. Lay strips of pimiento between the fish and cover with aspic. When firm fill up the mold and let stand several hours in the ice chest to become firm. When ready to serve, turn onto a platter and garnish with watercress and sliced cucumbers dressed with French dressing. Pass tartar sauce.

Cereal Souffle.—A spoonful or two of cereal, which is so often thrown into the garbage or down the sink drain, will add much to the food value of a dish. To one cupful of thick white sauce add one-half cupful of any leftover cereal. Beat well, add the beaten yolks of two eggs, one-half teaspoonful of salt, a dash of cayenne pepper and one-half cupful or more of any seasoned meat or savory as cheese, mushrooms, ham or sweet pepper. Cool, fold in the stiffly beaten whites and bake twenty minutes in a moderate oven.
