

SUGGEST PLAN TO FINANCE FIELD

(Continued from page one)

ner the District now owns, was with the view of developing the entire tract into an attractive setting for school buildings, the beauty of which would advertise the community as one possessing good schools and high standards. In this respect, he said, the development of the athletic field would have no bearing on the need for additional ground for school buildings, and would not cure the present situation of the school buildings being "on a backstreet."

Opinion differed as to whether the three or four pieces of property on Grand River could be bought for \$30,000 at the present time. F. De Vere Fleming suggested that the present school buildings may not be entirely of the type and beauty that would justify spending of \$30,000 to put them in prominent view from Grand River avenue, and that an architect should be consulted and a general plan for an attractive development be submitted to the people before such a project be carried through.

Special Election Needed

The Exchange Club voted to go on record as being in support of the action should the Board of Education decide to develop the entire athletic field at once. Mr. Lamb pointed out that it would be necessary to call a special election of the voters of the School District in order to transfer funds from the \$30,000 account of the bond issue, to the general fund, for athletic field purposes.

Golfers of the Exchange Club will entertain a Birmingham Exchange golfers at Glen Oaks next Wednesday afternoon. About 15 Farmington Exchange golfers are expected to participate in the match and dinner to follow.

SEEK SUPERVISOR

TO SUCCEED BOND

(Continued from Page One)

vote on the resolution for his appointment next Wednesday will be unanimous.

Supervisor Bond's resignation Tuesday brought to a close a long and active career as Supervisor, and marks the departure of one of the Board's most active and influential members. Chairman of the important equalization committee, member of the special building committee ever since it was instituted eleven years ago, and for the first eight years its chairman, active on the market committee, and in the Welfare League of Oakland County, Supervisor Bond has participated closely in most of the big projects of the County in the last decade. Many of his colleagues who enthusiastically supported his elevation to the Road Commission did so with regret that he was leaving the Board. Mr. Bond will serve the four and one-half years remaining of the term of the late Commissioner Lytle, who was elected for six years in November, 1926.

One of Wikom's oldest residents and a well-known figure in this section, passed away during the past week, when Rudolph Stevens, 74, was called by death. Mr. Stevens had lived in Wikom for over 52 years.

Funeral services were held Monday, followed by burial in Wikom Cemetery. Rev. J. W. Tolly officiated.

IN MEMORIAM

In loving memory of Reka Goers, our dear wife and mother, who passed away one year ago.

In our hearts your memory lingers sweetly, tender, fond and true; There is not a day Dear Mother, That we do not think of you.

Henry F. Goers.

Mr. and Mrs. Fred Garlick and Children.

"The Saddest Words"

Of tongue or pen, are
'It might have been.'
And the sweetest, when
something happens, are
"FULL COVERAGE!"

INSURE TODAY!

HEARD ON RADIO

Darrel W. Johnson, son of Mr. and Mrs. L. V. Johnson of Walled Lake, broadcast two piano solos over station WGNB, Detroit, Wednesday evening. Darrell had the honor of opening the "Moonbeam Club" program last September and was chosen to open and close it for the season this year.

He received many messages of appreciation for his effort.

CITY HAS NOISY FOURTH OF JULY

(Continued from page one)

What is believed to have been one of the worst stretches of road as far as traffic jams were concerned was the North-Walled Lake road, jammed all day long by motorists seeking the cooling breezes of the Lake. In mid-afternoon it required nearly an hour to travel the three miles from Grand River avenue to the Walled Lake Casino, where hundreds upon hundreds stopped for bathing and refreshment. Most of the time there were three traffic lines on the highway, and many motorists became mired in the ditches along the road, trying to get out of the jam. Five cars became stalled there within a minute, shortly before 5:00 o'clock, and were helped out by other motorists.

In Farmington, a surprising amount of traffic developed before noon. The scheme of turning at Grand River down Base Line road, then driving north on Division road, resulted in a double line-up two blocks or more long every time the signal stopped north and south traffic at Farmington's main corner. When it turned the opposite way an equally long line was formed on Grand River.

Fireworks Start Early

The shooting of fireworks began early Tuesday evening. Many of the firecrackers were loud enough to be heard all over town and an almost continuous din was maintained. At midnight the noise was such that city officials called the police.

One of the dangerous "stunts" was that of two young men who stood at the corner crossing on Grand River avenue, in front of the Lumber yard, and as motorists crossed to the single pavement, fired a pistol with blank cartridges directly in front of passing cars, temporarily blinding the drivers. Those participating in this sport were young men well into or beyond their teens, as were most of those shooting off the large firecrackers.

Another interesting "stunt" was that of two young men who spent several hours Wednesday at the southwest corner of Grand River and Division street, with large firecrackers. They threw the "crackers" directly at a pole, upon which was nailed one of the placards containing the provisions of the city ordinance against the use of fireworks. By late afternoon the celebrants seemed to tire of their sport and Farmington again became quiet. The use of fireworks this year was permitted, by proclamation of the Mayor, but under stipulation that the State law was to be complied with.

COUPLE HONORED BY CHILDREN ON 25th ANNIVERSARY

Mr. and Mrs. Perry Wikom Given Surprise Party; Seventy Attend

Seventy guests, among them 23 who attended the couple's wedding ceremony a quarter of a century ago, gathered at a party in honor of the twenty-fifth wedding anniversary of Mr. and Mrs. Perry Wikom of Farmington Friday, June 29. The affair was a surprise party, planned by their children, and was given at the home of Mr. and Mrs. Mark Wikom.

Many beautiful silver gifts were brought by the guests and presented to Mr. and Mrs. Wikom. Mrs. Ralph Pickering of White Lake baked the "wedding-cake" which was served at the party. Guests were present from Farmington, Royal Oak, Pontiac, Walled Lake, Detroit, New Boston and Southfield.

LARGE GATHERING AT LYTLE RITES

(Continued from page one)

county system of roads. The first commissioners were appointed and were, in addition to Mr. Lytle, A. J. Barrett and William Anderson. Mr. Lytle was reelected to his post in 1914, 1920 and 1926, and had four years more to serve at the time of his death.

Mr. Lytle was a member of the Sons of the American Revolution, Farmington Blue Lodge, Northville Chapter, Pontiac Council, Pontiac Commandery, Michigan Consistory, the Shrine and the Farmington Eastern Star. His service in the Masonic organizations covered practically 50 years.

The widow survives, as do three daughters, Mrs. George Wilcox of Cleveland, O., and Misses Ethel and Mae at home. A half sister and a niece, Mrs. Jane Holdershaw and Mrs. Clyde Seeley, live at Farmington.

Rev. Samuel Pack, of the First Christian Church, Pontiac, officiated at the funeral services.

REPEATED REMARKS

Leap-year query—Has she asked you yet?

The evil wish is most evil to the wisher.—Healed.

Old men learn that time is not so precious after all.

The burden which is well borne becomes light.—Voltaire.

Maid of honor are those who do not indulge in flirtations.

A desk motto is one of those plaques like a hair shirt.

Always have a holiday three months ahead for happiness' sake.

A woman is just as young as her friends will allow her to be.

A sunny disposition is made enduring by a cloud, now and then.

No man will criticize your singing when you are singing his praises.

Politeness yields large dividends, but it is an investment often overlooked.

A man thinks that he's just as good as anybody when he goes to church in the rain.

The less the average man knows about a thing the more he wants to talk about it.

Some women should give charity a job at home by casting their bread upon the water.

Some people have many good qualities but lack the one necessary to make use of them.

Even if riches did bring unhappiness some people would struggle for them just the same.

A girl may love a man from the bottom of her heart, but there's always room at the top.

It is hard for some men to say just what they mean, but it is harder for others to mean what they say.

Business Failed

Jack—You was in business, wasn't you? You had a laundry, wot? Spike—Yeah, but she divorced me.

Hard Work

"I am a hard-working man!" "I'll say you are! I have seen you on the golf links!"

Usually

Glady—What's the barber's itch? Glenda—Doesn't it attack them in the palm of the hand?

Final

Jim—People look alike after they live together for a period of time. Mary—Our engagement is broken.

A Problem For Both

She—I wish I could feel certain you love me. He—So do I!

Plastic Surgery Not

Guaranteed to Last

Face-lifting, an operation which some women undergo to have facial wrinkles removed, does exactly what it claims to do—it removes facial wrinkles. It makes no claim to keep them away permanently. Doctor Fuz, one of the most successful of the French specialists now engaged in this work, admits that the operation has to be repeated every three or five years. Here, therefore, is a coup against this method as a significant beauty aid.

Another is a certain artificiality to the subsequent look of the face which has been lifted. Sometimes this only means a smooth, carefree expression. Sometimes the eyelids are subtly affected or the eyes given a slightly slanting look.

Of course, most of us would not be adverse to certain changes of expression, but on the other hand, we are bound to regret loss of the mobility on which the eloquence of the face depends.—Eileen Bourke in Liberty.

Sun-Proof Paint
Sold by

What Cost To Paint This House?

1st Grade Paint 2nd Grade Paint

300 painters and dealers from 50 typical cities give figures resulting in these averages and comparisons:

1st Grade Paint	2nd Grade Paint
Average Price per Gallon \$3.91	Average Price per Gallon \$2.70
Specified for 200 sq. ft. 12% (500-40) Gallons	Specified for 200 sq. ft. 16% (500-30) Gallons
12% \$48.87	16% \$45.00
Less 10% 4.89	Less 10% 4.50
\$43.98	\$40.50
Total \$146.61	Total \$142.74

But—how long will each job last?

These same painters and dealers estimate:

1st Grade Paint	2nd Grade Paint
5 Years	2 Years
Quality Paint Lasts 8-10 Times Longer	Quality Paint Lasts 8-10 Times Longer
\$146.61 ÷ 5 = \$29.32	\$142.74 ÷ 2 = \$71.37

\$356.85
146.61
\$210.24

Forget "gallons"—figure in years of economy and protection!

Use

MARVELITE

Marvelite rejuvenates old, weak, sulphated and sluggish batteries. Makes them full of life, vigor and pep. Will not freeze in any temperature. Removes and prevents sulphation, corrosion and overcharging. Prevents crystallization, hardening and buckling of plates. Will charge any make of battery in a few minutes and holds the charge. MARVELITE gives you better lights, better starting and more power. Never need to store your battery in winter. MARVELITE is a liquid—not a jelly. MARVELITE will prolong the life of your old battery for one year at a filling! Give your battery a chance by using MARVELITE service—we save your battery, and save you money. We absolutely guarantee in writing that MARVELITE will do everything that we claim for it. MARVELITE evaporates very slowly and an ounce or so, two or three times a year, is all that is necessary thus eliminating the constant use of water.
