## BIGGEST OAKLAND-COUNTY FAIR IN HISTORY PLANNED

New \$8,000 Building To Be Used; Horse-Racing To Be Among Features At Milford

The Oakland County Fair, which will be held at Milford August 3 to 11, inclusive, will be well in the van in point of quality of exhibits and features. The new \$8,000 exhibitors' building is now being completed.

This year for the first time, the County Fair Association is a member of the Wolverine Racing Circuit. This puts the program of harness events on a new plane. The race program extends over the four days of the fair from Wednesday to Saturday inclusive. The entertainment program includes four separate "free acts," which will be shown each afternoon and evening. These are an animal show, a troupe of five aerialists and two separate troupes of Baschall for Thursday, Friday and Saturday afternoons, fireworks exhibition each evening, riding devices and midway attractions will furnish entertainment.

Liberal premiums are offered for exhibits in all classes of livestock, poultry and pet stock, field and forage crops, fruits and vegetables, provisions, ladies' handwork, antiques, etc. A speciality will be made of boys' and girls' club work exhibits under direction of Walter Gossip, county club leader.

The dog show, with suitable premiums offered in each breed, will be held Friday and Saturday.

## PAINTING MAIL BOXES COMMENDABLE, P. M. SAYS

Two men have recently been travelling about the rural districts in this section, painting mail-boxes, and in general improving their appearance. Painting the boxes meets with the approval of the Post Office Department, according to Postmaster Thomas H. McGee, who states that the boxes "flags" should be painted red.

Regulations provide that boxes are to be painted when necessary.

## LARGE CROWD ATTENDS OPENING OF THE NEW GRAHAM-PAIGE SALES

A large gathering attended the opening last Saturday evening of the new Grand River Motor Sales, Graham-Paige dealers in this territory. Cars were on display in the salesroom and outside, and considerable interest was manifested.

The prize of \$100 credit on a new Graham-Paige car was won by James Hines.

## 'HUMAN MONKEY' IS NOW PLAYING AT EDGEWATER PARK

High-Wires Swinging Through Air Amuse But Do Not Frighten Performer

Billed as "The Human Monkey," one of America's most spectacular high-wire walking acts, this week for a limited series of outdoor performances at Edgewater Park, located on the Seven-Mile road near Grand River avenue, according to an announcement made today by S. L. McCallister, manager of the park. Climaxing the many daring feats included in his routine, the performer does a perfect "hand stand," hanging head downward as his wire sweeps out in dizzy arcs high over the spectators' heads.

The act is the same one that for several seasons past has been carried as a star attraction by some of the largest circus organizations in America. Costumed as a huge monkey, the performer has ample opportunity to inject numerous bits of mirth-provoking comedy in his act which serves to relieve the tension occasioned in his audience by the thrilling "stunts" he does. Due to a slight confusion of his regular circus contracts, "The Human Monkey" was enabled to appear at Edgewater Park at this time and, although his stay here will be of short duration, the management of the park has assured its patrons that they will be able to see him by coming to the park within a week of the time this paper goes to press.

## FARMINGTON MAN CHOSEN BY COUNTY ASSOCIATION

Edgar S. Pierce of Farmington State Savings Bank, has been elected a member-at-large of the executive council of the Oakland County Bankers' Association. Mr. Pierce was chosen to that position at the annual meeting of the association held at Indianwood Golf Club recently.

That 1,743-word sentence written in an annual report by Nicholas Murray Butler is even more wonderful than was at first supposed. It makes no mention of the weather, baseball scandals or prohibition.

Humming birds pass the winter in Central America.
