### W. WHEELER ONLY MAN TO COLLECT REWARD OF \$500

Candidate For Sheriff Captured  
Murderer; Was Member Of  
Staff For 14 Years

With the distinction of being the only man in Oakland County to have earned a \$500 reward for the capture of a criminal, and with many years' experience in police work, William A. Wheeler, of Royal Oak, has announced himself a candidate for the Republican nomination for Sheriff at the primaries September 4.

Mr. Wheeler was for 14 years, until August 1927, a member of the Oakland County Sheriff's staff. He served under several Sheriffs and until his resignation one year ago was in charge of the southern part of Oakland County, having a number of men under his supervision.

During Mr. Wheeler's service as a member of the sheriff's staff, he was instrumental in the apprehension and conviction of a number of habitual criminals, and half a dozen men captured by Mr. Wheeler are now serving life terms. While a member of Sheriff Green's staff about nine years ago, Mr. Wheeler made the arrest of Frank Proski, who had murdered a Troy Township resident named Radtke. He was given the \$500 reward offered for the murderer's capture.

Mr. Wheeler is 52 years ago. He was born in Royal Oak and has lived there all his life, residing at present at 529 Knowles street. For four years he was clerk of Royal Oak Township, and served a term on the school board and on the village council.

Mr. Wheeler believes in a fair, impartial and rigorous administration of the county police work, and pledges consideration for the needs of every part of the County, if elected. His experience and knowledge of police work led many friends to urge his candidacy, and to support him for the nomination at the primaries.

Mr. Wheeler is a member of Royal Oak Masonic, Foresters and Elks' lodges. He is also a member of the Moose and Maccabee lodges of Detroit. He has been affiliated with these lodges for more than 15 years.—Adv.

# Bringing Business To Your Door!

Last week the new Grand River Motor Sales of Farmington made plans for its informal opening to introduce Graham-Paige motor cars to this community. Due to difficulties, the decision was made just a few days before the event. There was little time for planning—none for an extended advertising campaign.

How to spread the message? How to broadcast the news in the short space of time available? A three-column advertisement in the Farmington Enterprise was decided upon. The results

of this advertisement, which occupied approximately one-sixth of a page, are set forth in a letter from the Grand River Motor Sales, as follows:

GRAND RIVER MOTOR SALES  
Farmington, Mich.

July 23, 1928.

The Farmington Enterprise,  
Farmington, Mich.  
Dear Mr. Levinson:

We wish to communicate to you the satisfaction we feel regarding our informal opening and display of Graham-Paige motor cars Saturday evening and the part played by your newspaper in its success.

Our arrangements were made at a late date, and we depended upon a single three-column advertisement in your newspaper to carry our message. This was the only medium of advertising used, and the response far exceeded our expectations.

Most satisfying of all to us was the fact that a large majority of those who attended displayed a keen interest in our motor cars, and that we obtained a large list of prospective purchasers of Graham-Paige cars.

We are pleased to be able to say that your advertising columns accomplished for us just what we wished them to do.

Very truly yours,  
GRAND RIVER MOTOR SALES

IF YOU READ THIS LETTER—YOU  
WILL NEVER FORGET IT

My Dear Sir:

You will sit up and take notice when a bona-fide offer like this comes along.

We can sell you three of the finest homesites to be found in the vicinity of Farmington on your own terms and for a third less than their true value.

On top of that, the owner will give you an iron-clad agreement that he will, if you wish, get you a buyer at the end of five years at a 40 per cent increase or reimburse you for all the interest and taxes you have paid plus 6 percent compound interest on every dollar invested.

This unprecedented offer is the result of the owner's absolute faith in his property. He believes, if you pay only 5 percent down, the property will increase in value fast enough to actually earn you 100 per cent per annum on the sums you actually invest.

And if you will build next year the offer is even better. cent down, the property will increase in value fast enough to actually earn you 100 per cent per annum on the sums you actually invest.

200.

Sincerely,  
F. DeVERE FLEMING.
