## Can You Pay As You Go?

There was a time when it was easy to pay for the month's needs from the month's income.

It's not so easy any more. With food, clothes, shoes and other necessary things costing two and three times as much as formerly, it's not so easy to foot the bill when a new suit is necessary. One has to save a little at a time for the larger expenditures. One must plan ahead.

You will find one of our savings books of great assistance to you in meeting your bills.
