only as a destraily feature of Christian descriptions indepting that the plant is a parasite dangerous brittle life of trees in the regions in which life of trees in the regions in which life of trees in the regions in which grow upon a rice before the tree it well will be killed. The parasite sape in life life of the infected branches For-luntably, it is of a low growth, taking rears to derologic tracks proportions, but when neglected, it havariably rules all trees it reaches.

English Wamen Smoke Pipes.

English Wemen Smoke Ploss.
The latest fairty of the woman amoker is a pipe—not the tiny and that suffices for the Japanese, but that suffices for the Japanese, but a goodsfleed-belle, ore "n pat meer-schutun. The pipe is boldly carried along with a gold card case and chain-purse. For forme time now, the cis-mant! In size and mid in 'quality,' women said they were treed of the clearatte, and wanted a bigger smoke, —Lendon Mall.!

Lendoh Mail.

Crippie Ridels Bleyele.

George Anstry, aged 12, a crippier of Leicester, England, is one of the most remarkable cryllists in the country. Both his legs are withered and useless, but the Leicester Crippier.

Guild has provided him, with a two-wheeled headless machine, with as patied, tuhe covering the said hardered the literature of the machine, his hands acting as pedals, steering gear, and brake combined.

Pretty Good Definition,

Pretty Good Definition,
We hear some funny things in Fleet
street, sometimes, and the § following
sefinition of the height of a gravation,
by a gentleman in rather shaky boots, we encountered in a well-kn

whom we encountered in a well-known benefity rise other dry, struck in its being particularly choice.
"The 'eight' of haggravation, gentle, men,' said this potnous humoriat, setting lie pewer on the counter and looking round, ground; with the lat on one about to let off a good thing." the 'eight of haggravation—why, irzing to ketch a fiss out o' yer ear with a pair of housin' sloves."—London Til-Bits.

An Alaskan Luncheon.
Runners of wovon Indian basketry,
with white drawmork dolles at each
of the 12 covers, were need on ah oral
mahogany table. The dollest were
made at Stiks, In the middle of the
table a mirror hald a tall central vase
of frested glass, surrounded by four
amalier vases, all filled with white
spring biogaronis. The edge of the
mirror was banked, with the same
flowers. Four totem plots were placed
on dollies in the angles made by the
runners.

flowers. Four totem poles were placed on deilles in the angles made by the runners.

Flace cards were water colors of Alaskan recent, Abalone shells held salted outs, and thy Indian bakete, held bonbons. The soup spoons were of horn, several of the dishest wise were made. Dr Alaskan Indians, and the cakes were severed on bakets. The menu was as follows: Feisson a. In Bering See, failblut, choyder, Yukou climbers (trelled astrono, pettates, Juliane), snowlyds is wed autoraborenis (roost duck with elly)s Shungnak, Firen, turditis, Tannar beots, Stagway hash (salad)s Fighthalia on the shung in ongested (the states). The balles in the shung in ongested (the states) and the color of the shung in ongested (the states). The shull be the shung in ongested (the states) for consideration in the companies of the constant of the c
