CARD OF THANKS

We acknowledge with sincere thanks the kindness and sympathy extended to us by our many relatives and many friends in our recent bereavement and the beautiful flower offerings. Special thanks to Rev. Elmer Palmer and Mr. Heaney, undertaker, also special thanks to the Detroit Creamery association and the D. S. R. bus drivers of the Ward Garage. Mrs. Viola Schoeb and Family. 2-1-c

BURGLARS BREAK INTO WALLED LAKE GARAGE, CARRY OUT BIG SAFE

Burglars broke into the garage of G. B. Thompson at the outskirts of Walled Lake, on the Pontiac-Walled Lake road last Tuesday night or early Wednesday morning and carried off a 600-pound safe, containing money and papers. 2-1-c

The safe was found later near the A. O. Bowen farm. It had been pried open and the cash, about \$50 taken out. The papers and books were not molested. 2-1-c

Mr. Thompson had been in the garage until about 10:30 p. m. The thieves broke open the back doors and carried the safe out. It is believed there must have been several men doing the "job" because it has always taken three men to move the large iron safe. 2-1-c

Funeral services were held Sunday for Frank E. Dodge, a resident of this section for 40 years, who died Thursday night following an illness of a year. Mr. Dodge lived on the 12-Mile road west of the Novi-Walled Lake road, in Novi Township. The deceased is survived by his widow, and one sister, Mrs. J. Van Buren of Highland Park. 2-1-c

HEATING SYSTEM GOES IN Workmen are busy completing the installation of the new hot water heater system in Farmington's fire hall. It is expected that other interior work will be completed soon, and that Fire Chief Harvey Blough will move into the new quarters within a short time. 2-1-c

WIND RIPS TOP

So strong was the wind Thursday morning that it blew a corner of the top-covering off the sedan of Manager Grovernor, of the Farmington office of the Detroit Edison Company, while one of the Edison employees was driving the car. 2-1-c

Your FORD Car

Old or New

**At Its Best
for Winter Driving**

Every FORD owner knows that his FORD car, old or new is a wonderfully dependable and economical machine to operate. Yet that does not mean it should be neglected even though it requires so little attention.

To meet the more rigorous demands of winter driving—especially, YOUR FORD CAR should be at its best. Bring it in for oiling and greasing, for checking up all over. A tightening here or an adjustment there may mean longer wear, better service. Bring your FORD car in today. You'll be sure of satisfaction.
