Some African tribes poison their arrows by applying a mixture of dried red ants ground with palm oil; if fresh the poison is fatal in less than a minute.

Fijians once used wooden forks to eat human flesh in cannibalistic rites; they believed dire consequences would result if the fingers were used.

Savages in South America have no words corresponding to "right" or "wrong." They use the word "pia" meaning "custom" in both senses.

## SEAL SALE IN COUNTY PASSES ONE-THIRD MARK

The annual Christmas seal sale of the Oakland County Tuberculosis Association has passed the one-third mark. \$5,000. With \$10,000 of the \$15,000 goal still to come in, Mrs. Zepha B. Hale, executive secretary of the association has issued an appeal to all those who have not yet done so to make their remittances for the seals before Christmas day.

"The seal sale this year is receiving a hearty response from every section of the county," Mrs. Hale says.

"If those having the seals will make their remittances so that the goal will be reached by Christmas day, Oakland County will have set a state record in obtaining its anti-tuberculosis fund."

## New Features of- The Outstanding Chevrolet of Chevrolet History - a Six in the price range of the four!

Everywhere The Outstanding Chevrolet is being hailed as a spectacular achievement in advanced design, because it embodies the greatest array of improvements ever offered on any automobile of comparable price.

Here, for example, is a marvelous new six-cylinder, valve-in-head engine whose design represents over four years of development and testing on the part of Chevrolet and General Motors engineers. It has numerous advancements typified by a non-detonating, high-compression cylinder head—gasoline pump with filter, and automatic rocker arm lubrication. It provides performance the like of which was never before available in the low-price field—marvelous smoothness, tremendous reserve power and sensationally swift acceleration—all with an economy averaging better than 20 miles to the gallon of gasoline!

Here are new and improved four-wheel brakes unsurpassed for silence in operation, positive action and ease of adjustability!

Here are marvelous new Fisher bodies introducing a new order of beauty, smartness and luxury.

And here, also, are other features by the score—each an impressive example of automotive progress—each contributing to outstanding performance, quiet operation, long life, ease of control and economical ownership!

We cordially invite you to visit our showroom and secure complete and detailed information regarding this great new car, which will be ready for delivery beginning January 1st.
