MERRY CHRISTMAS

**Every Home
Should Have!**

A Christmas full of joy! Of happy homes filled with the rosy, laughing faces of delighted children—trees hung heavily with garlands and with presents—tables piled high with good things for a bountiful Christmas dinner—happiness in every room, without a care anywhere,—that's the kind of Christmas every home should have, and it's the kind we wish for you.

But we do believe that your financial institution should not be quite content with wishing you a Merry Christmas—that it should help you to make it possible. And that is what has been done—through our

Christmas Savings Club

Whether your earnings be large or small, there's a group for you, from those who save 25 cents a week to twenty dollars. We urge you to join, because we know that it will give you next year "the kind of Christmas every home should have."
