Northwestern A. C. Wins First Basketball Tilt

Northwestern A. C., formerly Southfield Community Association, opened the basketball season Monday with a victory over the Omega Sigma's at Redford in an overtime game, 18 to 15.

Northwestern opened strong, scoring nine points before the Redford five counted. Wixom started the scoring with three field baskets in rapid succession. The score at half time was 12-8. The second half saw both teams offering a strong defense but the Redford team outscored the visitors 8 to 4, the regular period ending in a 16 to 16 tie.

In the five-minute overtime period, Hall tallied the points that won the game.

Coach Catherman promises hard practice sessions before the opening of the regular schedule and hopes to whip the team into mid-season form as quickly as possible.

THREE CARS DAMAGED

Two Farmington-owned automobiles were badly damaged in a three-car crash at Grand River and Division Saturday. A machine driven by Arthur H. Brown, Brightmoor, struck the car of Hyman Levinson, and swinging around, crashed into a coupe owned by Howard Warner, who had parked it at the curb. Damage to the two Farmington cars was about \$100 each, and to Brown's machine about \$40.

Brown was arrested for driving past the red signal, and charged with reckless driving.
