

## No more tummy-aches

SHARON LEMMON/STAFF PHOTOGRAPHER

**Kids Cans:** Laura hitchuk, a freshman at Andover, assembles "Kids Cans" with Yaman Rayes, also from Andover and Sam Varde from Lahser, who were among nearly three dozen students from the two high schools gathered in assembly-line fashion recently to produce the first cans to alleviate hunger. The project was sponsored by the Food Bank of Oakland County at the Church of the Latter Day Saints Cannery in Farmington Hills. "If we're going to teach them life skills, then we have to give them a piece of life," said Barbara Lange, who teaches life management at the high schools.

## Stop playing with matches.

Sorry if that sounds like your mother talking. But with gas logs in your fireplace, there's never a need to touch a match, a log or a hearth full of ashes again.

Simply touch a button to instantly start a clean-burning natural gas fire. You'll also be keeping 50 percent of your money from going up the chimney.

With no more fires to light, just think how big your matchbook collection will get.

For a gas log dealer near you, check the yellow pages under Fireplace Equipment or call:

## Success is closer than you think.

## The degree you want

Getting that degree you've always wanted can change your life. At Oakland University, success is closer than you think.

Whether you need a few classes to finish your degree, want to enhance your career with a master's or doctorate or want to start over in an exciting new field, think Oakland University.

## The attention you deserve

At Oakland University's secure, suburban campus near Rochester, you get a private school environment and attention at public school cost.

Rated a "best buy" by U.S. News & World Report, Oakland offers small class sizes, convenient hours and an exceptional faculty — so you can receive the attention and opportunities you need to achieve your goals.

## Register today for winter classes

Oakland University offers a wide range of study — with more than 65 undergraduate and 25 graduate degree programs.

Registration is still open for winter classes, which begin January 4. Transfer students are welcome.

Call us at (313) 370-3363 and speak to an admissions counselor.
