

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point at all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstruction. To do this you must have one of two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and other drugs relieve you for a day, but that you up your bowels over the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the simplest the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowels naturally to again work naturally at certain hours—then buy it for your druggist at fifty cents and one-dollar a bottle, just as so many others are doing. They began with a sample bottle, then bought a fifty-cent bottle, and now, fully convinced of its merits, they buy the one-dollar family size. All the members of the family can use it from the very young to the old.

A brief use of this grand laxative tonic will cure constipation in its worst form, indigestion, liver trouble, headache, sour stomach and such ailments and keep you in continuous good health at a small cost. Such is the experience of many families like that of Mrs. O. F. Fleener, Unionville, Ind. J. P. Daniel, Sarn, Tex., and hundreds of others that could be named.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you free. For the free sample simply send your name and address on a postal card or otherwise. For other bottles the address is Dr. W. H. Caldwell, 850 Caldwell Building, Montreal, Ill.
