

HOROSCOPE

By C. C. Clark

Aries (March 21 - April 19)

It may be necessary for you to look more closely at the situation at hand. Do not be too judgmental with loved ones; they really need your help.

Taurus (April 20 - May 20)

You will feel the weight of your burdens, and there will be times when you wonder if things will get better. Your life is headed for a positive change.

Gemini (May 21 - June 20)

There are new beginnings ahead for you in the work place and with finances. It may be a good time to take that class you have been thinking about.

Cancer (June 21 - July 20)

There is a possibility you will meet the man or woman of your dreams. Look for family disputes to be settled and peace to reign.

Leo (July 21 - Aug. 21)

You may be battle-weary and ready to get on with the rest of your life. Tie up loose ends and check details carefully. A long vacation is needed.

Virgo (Aug. 22 - Sept. 22)

Worries about money will continue, but it would be better for everyone if you focus on the many positive aspects of your life.

Libra (Sept. 23 - Oct. 22)

There will be a new person charging into your life, and you had better be ready. Positive changes will come from this association.

Scorpio (Oct. 23 - Nov. 22)

You will need to focus on work for the time being. Watch out for well-meaning friends — they do not understand what you are up against.

Sagittarius (Nov. 23 - Dec. 20)

It will take more patience than you have at the present time to get through a difficult situation. Take a deep breath and charge forth. All will be well.

Capricorn (Dec. 21 - Jan. 19)

While you may feel like turning a cold shoulder toward someone who has disappointed you, it isn't a good idea. Be a good person and make amends.

Aquarius (Jan. 20 - Feb. 18)

There is a dark-haired woman in your future, and she may not be what you expected. Listen carefully to her advice, but do what you feel is right.

Pisces (Feb. 19 - March 20)

You will feel cut off from friends and family, and it may be of your own doing. You should rest before taking on a new project.
