

Kmart employees plan canned food drive

Kmart employees will join together this holiday season in one of the largest single canned-food drives ever.

"One Million Cans from One Million Hands" will be collected during the corporation's annual "Employee Shopping Night" on Nov. 7. Food collected will be distributed among local agencies in each community and will help support the American Express Charge Against Hunger program.

Shoppers will have the chance to help those in need this holiday

season, too. From Nov. 26 through Dec. 31, Kmart Corp., based in Troy, will join American Express in its "Charge Against Hunger" program to raise up to \$5 million to provide food for people who are hungry during the holiday season.

American Express made a \$1 million donation on Oct. 5 to Share Our Strength and will contribute 2 cents for every purchase made through the end of the year with an American Express Card. Kmart will match American Express' 2 cents donation to Share

Our Strength for every purchase made at Kmart stores nationwide with an American Express Card — up to \$250,000.

Share Our Strength is one of the nation's largest non-profit hunger-relief organizations.

Kmart Good News Committees, made up of associate volunteers at every Kmart store nationwide, will continue their tradition of community involvement by donating Thanksgiving food baskets to 20 local families identified by

local civic organizations.

Since 1985, more than 400,000 families have received a complete Thanksgiving dinner from the corporation.

"Kmart's Thanksgiving food baskets and the Charge Against Hunger" program offer employees and customers the opportunity to join together to aid in hunger relief this holiday season," said Joseph Antonini, chairman, president and chief executive officer of Kmart.

Lock Up A Rising Rate With A CD That Won't Lock You In.

Here's your chance to advance with higher earnings and guaranteed security in a CD. But this rate is only being offered for a limited time, and only at First of America Bank. As always, depositors are FDIC insured up to \$100,000. And the rate is locked in for the full 15-month term of the certificate. So if you're looking for a safe and secure investment that's guaranteed to pay off, come to First of America. And open a CD that's bound to raise your money's earning power to a new level.

Every six months of its two-year term, our Rising Rate CD gives you a guaranteed increase in your interest rate without locking you in. The rate earned for each six-month period rises as the chart above indicates, giving you a 5.0% APY during the final six-month period. And you can withdraw all of your investment within the first 10 days of any six-month interval without penalty. The minimum deposit and balance amount is only \$1,000. The Rising Rate CD.
