

90% of every dollar
you give us makes a difference
in someone's life.

When you give to the United Way, your money is distributed to almost 140 charitable organizations in Wayne, Oakland and Macomb counties. Which saves a great deal of duplication of effort. And fund-raising costs. In fact, our fund-raising costs are among the lowest of any charity—just 10.7%. So nearly 90% of your donation gets to the people who really need it—the elderly, troubled youth and families in need of counseling, to name a few. This year, more people need your help than ever before. So, please, won't you give more? Because, of all the needs we face in the tri-county area, the biggest one of all is *your* support.

Still the best way to show you care.
