"Between a professional life and social life, who has room for a spiritual life?"
"Most people in my generation see religion as too much of a hassle. We're finally starting lives of our own—beginning our careers, entering relationships, building our families—and we're not looking for any more burdens or responsibilities.
"That's how I saw religion, until I learned more about Unitarian Universalism. Here was a religion that gave me room to breathe. They offer services that are relevant to my life. Their philosophy encourages me to explore my inner spirituality. And their belief in activism and social justice inspires me to look outward.
"Sure, any religion is something of a commitment. But until I discovered Unitarian Universalism, I never knew a commitment could be liberating!"

We are also characterized by our purpose to confirm our public worship service to the PRECEPTS AND EXAMPLES OF THE N.T. We do not allow tradition, current religion nor man's ideas or feelings to change the BIBLE PATTERN. Our singing, praying, praising and preaching is simple and spiritual worship to the HOLY GOD. Come and see, worship with us!
