Fire from page 1A

valls or roofs, or have smoldered and re-ignited, Marinucci said.

and re-ignited, Marinucci said.
"I'd say the fire was intense to
turn on the sprinklers," he added. turn on the sprinklers," he added.
Also, once the sprinklers are
turned off for the cleanup, the
building is vulnerable to fire and
frefighters should be alerted,
Marinucci said.
"It also sends a message to kids
who were there not to bother with
the fire department," he said.
The chief said that, with more
than 1,000 students, there are
bound to be problems like arson
from time to time. They "should

English from page 1A

not be a reflection on anybody. not be a reflection on anybody."

Don Cowan, the school dis-trict's director of building and student services, said there is no set policy on how serious a fire must be, but the schools usually call in the fire department on

call in the fire department on even minor fires.

"We don't want to encourage kids (to set fires and have the fire department come)," he said. "But if anything, we would rather err on the consorvative side and call (firefighters) in."

Lt. Mike Garr, a fire prevention specialist, said the department can even help with the water cleanup in such a fire.

speaking their native tongue are fined 25 cents. The money goes into a fund for a party at the end of the year. Teachers are happy to report there's not going to be a lot

of the year. Teachers are nappy or report there's not going to be a lot of hoopla. Some languages bear similari-ties to English. For example, Ger-man has the some type of pauses. But for some there are many differences. "The different alpha-bet is tough," Shari Wiesbaum said. "If they come from a place where the language and alphabet are different it's a big transition." Beate Kilkenstein learned Eng-

'If you learn in Brazil and you don't practice it, it's difficult because everyone speaks very fast.'

It's always better to be safe than to take a chance on a fire, Marinucci sald.

"You can always cancel, and we can always turn back," he said. "It doesn't cost (the schools) any-

thing."

By Michigan law and as part of the insurance contract, a report of the fire must be made, Cowan

said.

The fire was the second arson case at the school in three weeks. A ticket booth was torched Oct. 15, which completely destroyed it and melted part of the metal fence next to it.

ext to it.

Horn said he thought that the

Marcia Donatini

"They picked it up really fast," she said.

Kilgenstein is a quick study, too. She's already in the advanced

too. She's already in the advanced class.

"We learned English in school, but I nover practiced it," said Kilgenstein, who worked as a social worker in German," I thought I'd never need it.

Marcia Donatini who is from Brazil and spoaks Portuguese can relate. She's in the advanced class having only been here for two months.

"If you learn in Brazil and you don't practice it, it's difficult be-cause everyone speaks very fast," said Donatini, whose husband works for General Motors.

The classes give them confidence, they said. More than learn-

Confidence boosters

district's maintenance crew had burned the booth to destroy it. That was not the case, Cowan said. It would have been torn down if the district wanted it de-stroyed.

It would be illegal to burn down

"We investigated it as an ar-son," Garr said.

Cowan said being in charge of a high school — as he was at North Farmington High for 10 years — is a pressure-filled job. Because of a lawsuit concerning a student transfer, Horn had been under a lot of stress, he said.

Diane Shaw said since she started teaching the classes she's eaten seaweed, octopus and jelly-fish.

"I learn more from them than

ing phonics, the daily gatherings often turn into a support-group setting for those navigating in a strange land.

It's hard to decipher who enjoys it more. Students giggle heartly while learning how to clean outpumpkins, a handy craft incharacter around this time of year. The teachers receive puy backs in the form of diverse culture and cuissine.

Shaw also recalls serious ex-changes where feelings have bridged cultural differences. Dur-ing tense times at the height of the Gulf War, a student from Iraq approached her.

"She came up and asked if I was mad at her," Show said. "I said, 'No, are you mad at me?" She said no. She said, 'I don't like this. I don't think God likes it.""

odd expressions. They lead on one dether. "It's difficult learning the language," said Yumi Kohari, who is Jopanese. "The grammer and pronunciation are so different. "In my country everyone has to learn English for six years. It's grammar. We don't learn conversation." English as a Second Language, or ESL as it's known, is a three-tiered program. Classes were expanded to four hours, four days a week this year. Beginners work on the basics, colors, shapes and sounds and simple sentences. Intermediate students concentrate on basic reading and discussions on current events. Those in the advanced class read newspapers, converse and are different it's a ung transation. Beate Kilgenstein learned English in her native Germany. She moved to Farmington Hills 10 months ago when her husband was transferred to Bosch Corp. She thought the move would be a good chance for her two sons, Marcel, 7, and Yves, 5, to learn two honoures. read newspapers, converse and engage in debates.
