You will have to keep an open mind when discussing an unusual subject with a friend. Your creative powers will impress those around you.

Gemini (May 21 - June 20)
Things never seem to go quite the way you planned, but it all works out in the end. Show your appreciation of friends and loved ones.

Cancer (June 21 - July 20)
You may have to seek an outside source for help with financial matters. Using a budget is a good idea, but only if you really follow it.

When going into a new situation it would be to your benefit to put your insecurities aside. You may not have as much control as you would like.

Virgo (Aug. 22 - Sept. 22)
You must be direct but tactful with a loved one. Outdoor activities should probably be put on hold for a while. Watch your tone with a friend.

You should probably take a second look at a problem you thought was solved. Someone may not be as truthful as you originally thought.

Scorpio (Oct. 23 - Nov. 22)
It will not get any easier for you for a while, but these tough times will lead to something quite wonderful in the end. Remember to count your blessings.

A long-standing debt needs to be taken seriously. Look at the many positive aspects of yourself and work on the things that are not up to par.
