"Let's Talk" is a new television series hosted by Ben Marks of Farmington Hills. He will bring a grassroots approach to issues that affect us at home, which are being confronted by the legislature.

Going beyond the rhetoric, he talks with leaders and activists and encourages them to articulate their positions.

Karen McMillan and Kevin Southern will add technical support.

Some of the guests planned are: Paul Hillebrond, co-speaker of the House and Dick Posthumus, Senate majority leader.
