Social Gayeties Are in Full Swing

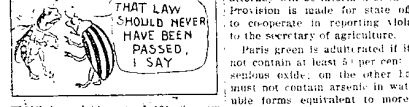

WASHINGTON—Washington's social season is in full swing and the balls, the official receptions and state dinners at the White House now follow one another in bewildering rapidity.

President Taft's first reception of the year was held at the White House on Monday night. It was the first of the diplomatic dinners, the second for the Supreme Court, the third for the members of Congress and the last for the officers of the army and navy. During President Taft's incumbency at the White House these receptions have acquired a significance which they have lacked for many years. By limiting the number of invitations and endeavoring to avoid asking the same persons twice, the receptions have been made more enjoyable and also more brilliant.

State dinners at the White House follow the same order as the receptions, the first being given for the diplomatic corps, President and Mrs. Taft with this season add one dinner and the reception to congress will be

New Insecticide Law Now in Effect

THE insecticide act of 1910 is now in effect and pest populations in this country have been checked by the secretaries of the treasury, of agriculture and of commerce and labor. The act forbids the manufacture or sale in foreign territory of adulterated or misbranded insecticides and fungicides, especially mentioning Paris green and lead arsenate. It also forbids interstate shipment of such articles and this is its most important feature.

Under the regulations samples of insecticide and fungicide are to be retained by purchase by agents of the United States department of agriculture and analyzed by the secretary of agriculture. The act forbids the manufacture or sale in foreign territory of adulterated or misbranded insecticides and fungicides, especially mentioning Paris green and lead arsenate. It also forbids interstate shipment of such articles and this is its most important feature.

President Goes to Top of Monument

THE bride with the green macaw feather in her hat who made the last trip up the Washington monument the other day had a black book in her hand. It was the list of names of the people who had contributed to the monument. The president of the United States, Mr. Taft, who was with the party, had a black book in his hand. It was the list of names of the people who had contributed to the monument.

BURDENS LIFTED FROM BAD BACKS

Weary is the back that bears the burden of kidney ills. There's no rest or peace for the man or woman who has a bad back. The distress begins in early morning. You feel lame and not refreshed. It's hard to get out of bed. It hurts to stoop to tie your shoes. All day the ache keeps up. Any sudden movement sends sharp twinges through the back. It is torture to stoop and straighten. At night the sufferer retires to toss and twist and groan. Backache is kidney ache—a throbbing, dull aching in the kidneys. Plasters or liniments won't do. You must get at the cause, inside.

DOAN'S KIDNEY PILLS CURE SICK KIDNEYS

COMPLETELY PROSTRATED. Mrs. Ellen Kirk, 8, Main St., Spencer, Ind., says: "I had been prostrated with inflammatory rheumatism. My limbs were so swollen, my hands drawn out of shape and I was so sensitive to pain I had to be turned in sheets. It was surprising how quickly Doan's Kidney Pills relieved me and how soon I was cured. For three years my cure has been permanent."

How To Tell When The Kidneys Are Disordered--

WEIGHTED ONLY 80 POUNDS. Byron Bennett, 1018 St. Clair Ave., East Liverpool, O., says: "I was helpless in bed with kidney trouble. I ran down until I weighed 80 pounds and overcame thought I had consumption. A specialist gave me up and so did my home physician. Surprisingly, as I may leave my bed after using six boxes of Doan's Kidney Pills and for six years I have remained free from kidney trouble."

Painful Symptoms: Backache, sideache, pains when stooping or lifting, sudden sharp twinges, rheumatic pains, neuralgia, painful, scanty or too frequent urination, dizzy spells, dropsy.

Urinary Symptoms: Discolored or cloudy urine. Urine that contains sediment. Urine that stains the linen. Painful passages. Blood or shreds in the urine. Let a bottle of the morning urine stand for 24 hours. If it shows a cloudy or fecy settling, or a layer of fine grains, like brick dust, the kidneys are probably disordered.
