Lady Ocelots show well in tournament

Well, the performance of Schooleraft College's women's backetball team at the NICAA II Region 12 Tournament last week proved something after all. It proved something could be accomplished in what might have seemed a meaningless, wasted trip. After the Lady Ocelois lost 69. 49. at Henry Ford Community

trin. After the Lady Occlots lost 69-(4) at Henry Ford Community College in the opening round of the Michigan Community College Athletic Associaton Tournament Feb. 21, many at SC thought there was no reason to go to the even-tougher regional tournament and travel to Muakegon CC for it. With coach Jack Grenan un-ble to get time away from work, But instead, with assistant coach Will Broner taking over the coaching duties, it was decided to give it a shot. The decision was a good one. Broner has been Grenna's as-sistant for sit years; these were the third and fourth games he has substituted for him. The win over Mott was any-thing but easy. The two teams had split their regular-acason se-ries, and both games were close. This one was no different; SC's halftime lead was just 33-31. With the game tied and the block running down in the second halftime lead was just 33-31. With the game tied and the second one to fail for the game-wing the fourth games were basing here.
