Kindergarten games

Kids catch Olympic fever

Olympic fever has spread to the kindergarten level in Farmington Hills. Some 89 kindergartners from Hillside Elementary School in the Farmington District participated in the inaugural Kindergarten Olympics recently at the school on 11 Mile Road. Many participated in skiing (on blocks with poles), skating (on roller skates) and floor hockey. Boards on wheels were used to simulate the luge event. The youngsters even made "pretend" passports to get them to Norway and back. The passports were stamped as they "landed" in Lillehammer. Medals were awarded and there was a closing ceremony complete with an Olympic design cake. "We had a super day," said Hillside teacher Lori Rashty.
