

Cable workshops lead to coordinator's post

MARY LINDA CALDERONE

Let me introduce myself. My name is Mary Linda Calderone. I am originally from Niagara Falls, N.Y. Marriage brought me to Farmington Hills. I have two children. My education consists of a bachelor's degree in government from Skidmore College and a master's degree in public and international affairs from the University of Pittsburgh. I speak Russian and German. Belly dancing is my hobby.

Ten years ago I took the TV production workshops offered by MetroVision and was just fascinated as to how much fun it was to produce TV shows. I spent most of my time volunteering. When the job of community outreach coordinator became available, I was fortunate to be chosen for it.

As community outreach coordinator, my duties include assisting

and motivating MetroVision's workshop graduates, organizing seminars and coordinating promotional events such as our annual volunteer recognition evening.

I look forward to writing this column for I see it as one more facet of my responsibility as SWOCC to reach out into the community and share with you the resources available to you through community access television.

If you're interested in getting involved, give me a call at 473-7266.
