

The age of individuality

Slim silhouettes: For spring, a collection that's loose and languid. Layering pieces long over long, texture on texture, are key trends. Silk linen tunic mandarin-collar vest, \$198, is a fresh silhouette over wide-legged, paisley-patterned, silk sari pant, \$128. At Episode, The Somerset Collection, Troy.

Skindress: From the Karl Lagerfeld Collection, his "skindress" worn over and under everything. The sheer painted-on transparent dress available in black or white. It's shown under a contemporary floral print honeycomb jersey trapeze dress. At Linda Dresner, Birmingham.

Esoteric moods: The new generation of Armani . . . Women's linen ink Nehru jacket, \$245. Women's linen ink sandlubber jean, \$120. Men's linen Nehru collar blazer, \$245. Men's linen ink pleated pant, \$120. White two-pocket shirt, \$58. At A/X Armani Exchange, The Somerset Collection, Troy.
