AT TEL-TWELVE MALL

Spring 1994

LIKE RABBITS, FASHION OPTIONS AT TEL-TWELVE MALL ARE MULTIPLYING LIKE CRAZY FOR SPRING!

The looks for Spring are fresh. An outstanding collection of neutrals, frosted pastels and soft-muted tones: linens, denims and chunky textured knits offer the choicest looks for Spring's cool breezes and warmer months ahead. Accessories work well in pulling the look together, especially beads and ornate jewelry. Fun-to-wear hats are very popular and will be seen in all the most fashionable places this Spring.

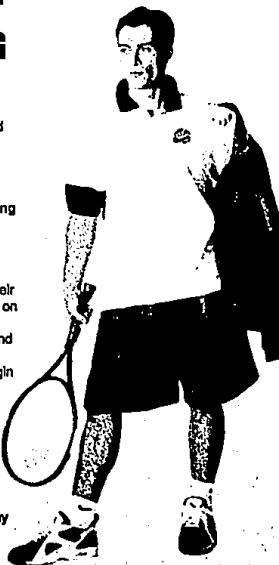

The above great look from Winkelman's exemplifies the trend for Spring of "leveling" in addition to layering. Long shirts with vests, and linen fabrics, have their place in both career and casual wear.

Men will also find diversity in fashion at Tel-Twelve. The epitome of fashion

forward looks is what 4 Men (left) is all about: Girbaud jeans, Coogi sweater and smartly detailed leather vest. And for fashion fun, just name the game and Imperial Sports (right) fits the bill with Nike pullover shirt and oversized shorts, perfect for court appearance. MC Sporting Goods is the place for equipment, and Foot Locker the shoes, whatever the game this Spring.

American Eagle and Gap attest that fun bright patterns and solids will take their place alongside the classic nautical look on the best dressed men this Spring. From oversized T-shirts to ties, men too will find the Spring look refreshing.
