The Animals Should Have Their Place In This World

People who live most of their lives in big cities, generally give little thought to the preservation of wildlife, particularly if the animals are interfering with development. What many of us fail to realize, is that these creatures can do us a lot of good; even snakes, which help keep down the rat population, and earthworms, which help us grow our crops.

There is no easy solution to this dilemma of conservation versus development; for after all, we do need shopping malls and housing tracts. However, we must remember that God made the animals for a reason, and that we should be as kind to them as we can, and not destroy them just for fun. Instead, thank God for giving us these wonderful creatures and pray He will also give us the wisdom and compassion to appreciate them.

"Every creature of God is good and nothing to be refused."
— 1 Timothy 4:4

Some mistakenly imagine that sinners and their evil deeds prove God is not sovereign. To the contrary, THE BIBLE DECLARES: "Surely the WRATH OF MAN SHALL PRAISE THEE THREE TIMES 70 10 For of HIM, and THROUGH HIM, and TO HIM, are ALL THINGS, to whom be glory for ever. Amen." Romans 11:36. We urge you to reverence this Holy Sovereign God with us!
