# Florist offers lessons in growing

No, pizza doesn't grow in the freezer section of the corner grocery. And it doesn't grow at your local pizza carryout. But children can learn where it does grow Saturday, April 30, as McFarland Florist and Greenhouses of Farmington Hills presents "Lunch with Old McFarland."

The materials fee of \$4 per person includes lunch. It's a fun day

for the whole family. Reservations are necessary for 1:30 a.m., 2 p.m. and 4:30 p.m. programs. For reservations or more information, call (810) 474-0750. McFarland Florist and Greenhouses is at 28915 Grand River, four blocks east of Middlebelt.

Children of all ages will not only learn a garden lesson from Old McFarland, they will plant

seeds, tour a greenhouse and see how to grow "pizza plants" including tomatoes, green peppers, onions, basil and oregano. Then they'll sit down with Old McFarland and his friends and enjoy the final product at a yummy pizza lunch.

Yousters will also have a chance to enter Old McFarland's Sunflower Growing Contest.
