

Smoke alarm worked

MIKE GANN

Checking the damage: Farmington Hills inspector Denny Hughes checks damage to a stove in a kitchen at the Farmington Square condos on 12 Mile at 1 p.m. April 28. Smoke from an unattended pot on a stove set off a smoke detector and alerted neighbors to call 9-1-1. Firefighters removed the pot and cleared the building. The tenant was not at home during or after the fire. Thanks to the alarm and the neighbors, smoke damage was minimal.
