Have you ever parked your car in a sea of other cars and found it easily because you'd tied an "attention getter" to the antenna?

That's the way our new *Classified Ad Attention Getters* work for you. Folks will notice your ad when you include one of these little faces or symbols. For only a one-time \$5 add-on charge, your Attention Getter will appear as many times as your ad runs.

Ask for one the next time you're talking with one of our ad takers.
