CURED HER BABY OF ECZEMA

CURED HER BABY OF ECZEMA

"I can't tell in words how happy the word 'Cuticura' sounds to me, for it cured my baby of itching, torturing eczema. It first came when she was between three and four weeks old, appearing on her head. I used everything imaginable and had one doctor's bill after another, but nothing cured it. Then the eczema broke out so bady behind her ear that I really thought her ear would come off. For months I doctored it but to nol avail. Then it began at her nose and her eyes were nothing but sores. I had to keep her in a dark room for the weeks. The doctor did no good, so I stopped him comins.

"For about our for her every day, then the stopped him comins."

"I had used two cakes of Cuticura Olithment and began to use that. In al week there was a marked improvement. In all I used two cakes of Cuticura Collitanian and one box of Cuticura Olithment and hegan to use that. In al week there was a marked improvement. In all I used two cakes of Cuticura Collitanian and my baby was cured of the sories. This was last November; now her half is growing out hiely and she has not a scar on her. I can not praise Cut-cut enough, I can take my child anywhere and people are amazed to see her without a sore.
