## Our grand opening is real close to home.

Now, the down-home cooking

of Old Country Buffet is just down the road. Unlike other buffets, our soups are made from scratch, our breads are baked fresh daily and our entrees and side dishes are carefully prepared in small batches to ensure freshness. And our low price even includes desserts and beverages.

You'll love the atmosphere, too.

Instead of waiting in a buffet line,

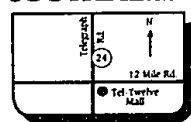

you can roam among eight buffet "islands" loaded with great menu selections. Our salad bar can't be beat and our dinner chef hand carves roast beef and ham as you want it. It's good food and a great family value.

So stop in during our Grand

Opening celebration and see

what's cookin'.
