When you have a baby it should be a wonderfully close time for you and your family. That's why the *Miracle of Life Maternity Center* at St. Mary Hospital has you at the center of its visiting policy.

WHY A LOT OF BABIES SEEM LIKE DISTANT RELATIVES

Instead of asking you to conform to limited visiting times or placing barriers between family members, at St. Mary you decide who can visit and when.

All private rooms

We believe you know best when you want visitors and when you need time alone with your baby. That's why all the maternity rooms at St. Mary are private. So a family member can even stay overnight if that's what you want.

Real family care

Your baby can stay in your room even when family members are visiting. We accept your definition of family. Grandparents. Children. Aunts and uncles.

Your best friend. If you call them family, so do we. It's that simple. Our physicians even examine babies at your bedside so you and your family can watch and ask

questions. So if you want real family-centered care, call St. Mary Hospital. Call 313-591-2882 for a free brochure, personal tour, or a physician referral.
