Celebrate Father's Day

the family birth center

The Parent Pager Program at North Oakland Medical Centers is our way of helping to make certain you are there when that special time arrives.

Awaiting the arrival of your baby is an exciting but stressful time. The Family Birth Center at North Oakland Medical Centers has developed a program that provides fathers a portable pager to go everywhere you go—the grocery store, a sales call, or time alone planning your baby's future.

To learn more about the Parent Pager Program at North Oakland Medical Centers, please call (810) 857-7555.

And, to all new dads, Congratulations and Happy Father's Day!
