Family  
Centered  
Maternity  
Care

In the Family Birth Center at North Oakland Medical Centers, you can experience childbirth in a homelike setting.

We know that each family has different needs and expectations. That's why at the Family Birth Center, our staff is committed to providing a personalized family-centered experience. We encourage and support fathers to actively participate in the childbirth process and care of their baby. Because of our commitment to family care, siblings and grandparents are included as much as you wish in this special event at North Oakland Medical Centers.

For more information about our family-centered maternity program, please call
