#### Photo processing services.

##### New Introducing Picture Pronto! One-Hour Photo Processing

With Arbor's newest photo service you can drop off your film and get big, vibrant 4"x6" prints in just one hour. Quality insured by the Kodak Colorwatch System.

With Arbor's Picture! Picture! or Picture! Plus! you have a choice. Choose Picture! Picture! with larger size prints—one big print for you and one to share. Or choose Picture! Plus! with one larger size print plus a roll of film. That roll includes overnight service seven days a week, or your pictures are free.\* And your pictures are covered by Kodak's Colorwatch System for true colors.

Now when you get your film developed at Arbor, you can get your prints back in a "tip it up" Arbor Album. It's free with Picture! Plus!, and only 99¢ for two sets with Picture! Picture! Arbor also offers Kodak's processing, a unique computerized scanning system which gives each of your prints finer detail, sharper images, and brilliant color.

#### Our prescription of quality.

The ArborTech Plus Computer in each Arbor store not only gives your Arbor pharmacist your complete medication history at the touch of a finger, but also checks for potentially harmful drug interactions and therapeutic duplication. The ArborTech Plus Computer has Dose Chek, which helps make sure you don't take too much—or too little—medication, by quickly checking to see if the prescribed daily dosage of your medication is within the manufacturer's recommended range.

Now, Arbor has Dose Chek Plus. A free personalized computer print-out that gives you a complete medication profile; how to use it, cautions and possible side effects.

While you may carry only one health card, Arbor carries over 55. No other pharmacy in town honors more health plans than Arbor. So no matter what health plan you've chosen, chances are, we'll honor it.

#### Save on health and beauty aids and cosmetics.

You don't have to wait for special sales to stock up on your favorite health and beauty aids, including designer fragrances and cosmetics. From cold remedies to cosmetics, from soap to shampoo, you'll find them all for less at Arbor.

You'll save even more money on over 1,200 Arbor brand products. From health and beauty aids to everyday household items, Arbor brand products are tested to ensure the finest quality. Arbor products use the same ingredients as their national brand equivalents and are identical in most every way, except the price! If you're not 100% satisfied with any Arbor product, we guarantee an unconditional full refund.
