

HOROSCOPE

By C. C. Clark

Aries (March 21 - April 20)

It might be a good idea to think about what you say before you say it. Words could get you in more trouble than you ever imagined if you are not careful.

There is someone who wants to help you out of a situation, but this person isn't sure how to go about it. Open your heart and mind to new possibilities.

Gemini (May 21 - June 20)

A situation may not be as clear-cut as it looks. Check the details carefully and leave no task undone. You have what it takes to do the job.

Cancer (June 21 - July 20)

The scales of justice may not lean in your favor this time. Patience will be needed. You should stay away from stressful situations.

Leo (July 21 - Aug. 21)

There is a good chance you are going to receive something that you have wanted for a long time. Take time to appreciate those around you.

Virgo (Aug. 22 - Sept. 22)
