Matson started Business Television Video in 1986 with a \$5,000 lean and a part-time high school trainee as her assistant to fill a niche in the audio/visual presentation field.

The company has since evolved into a full-service organization that helps clients develop, implement and manage their information and communication systems. Sales that first year were \$750,000. Most recently, they've will be a supplied to the supplied

ciuding rotation of product, repair response and preventive maintenance.

She has pulled together a team of creative individuals who are encouraged to step beyond their perceived roles and take an active part in nutring growth.

BTV's motto — Large Enough to Service, Small Enough to Care.

Tauber owns and operater Key Manufacturing, Key Plastics, Keywell Corp. and several spinoff substidiaries. His enterprises last year employed more than 2,000 and posted combined sales of \$450 million.

Recently, however, Tauber has apent more of his time on philianthropic endeavors. His efforts have ranged from the United Jew. ish Appeal to United Way to the Interfaith Round Table of Christians, Jews and Musilms.

His private foundation provides colleg scholarships to children of his employees.

Tauber's fund-raising efforts translate directly to action programs such as relocating people from world trouble spots and helping immigrants here adjust to their transplanted communities "Every entrepreneur and/or successful person owes it to his community to participate, to contribute and to help others who haven't been as fortunate," he said.

smartest way home

It's the smartest way to a home loan.

This is the way it's always been:
First you find a home. You make a deal.
You sply for a loan. Then you wait.
You wait for the credit report. You wait.
You wait for underwriting. You worry about increast rates rising. You wait for approvals.
And so on...
You want for underwriting. You worry about.
You wait for approvals.

And so on...
