

Area students selected for summer program

Several Farmington-area students have been selected to participate in the Michigan Board of Education Summer Institute for the Arts and Sciences at Livonia's Madonna University.

They are:
Jennifer Sloane of Farmington, a student at Farmington High School, who will study architecture while at the Summer Institute. She is a National Honor Society member, and has earned the National English Merit Award. Her school activities include marching band, symphonic band, jazz band, symphonic orchestra, school musicals, and the environmental club. The daughter of Michael and Diane Sloane, she plans to attend college, where she will get involved in musical groups and major in engineering.
Matthew Clirin of Farmington Hills, a student at Harrison High School, who will study molecular genetics. He is a member of the National Honor Society and the 4.0 Club as well as being involved

in cross country, track, school plays, Quiz Bowl, literary magazine, and the photography club. The son of Janis Holtzman Clirin, Matthew plans to attend medical school.

Jessica M. Klugman of Farmington Hills, a student at Harrison High School. She will study molecular genetics and genetic engineering at the Summer Institute. She is a member of the National Honor Society and the 4.0 Club as well as being vice president of the Students of the World (cultural club) and a French tutor to children in her neighborhood. The daughter of Czeslaw and Krystyna Klugman, Jessica plans to attend medical school and become a surgeon.

Hillary Lum of Farmington Hills, a student at North Farmington High School. She will study molecular engineering and genetics at the Summer Institute. Her honors include the Superintendent's Award of Excellence and the Math Department Award

Hillary Lum

of General Excellence. She is active in varsity gymnastics, track, the Environmental Club and the school restructuring group for

Jennifer Sloane

teachers and students. The daughter of Lawrence and Carol Lum, Hillary's interests are to work in science and engineering.

CARRIER OF THE MONTH: FARMINGTON

Wesley, 13, delivers the Observer in the Briar Hill subdivision. He has been delivering the Observer since March 2, 1992.

The Warner Middle School eighth-grader's favorite subjects are science and math.

His hobbies are bullet shell collecting, roller hockey and fishing.

He was in the Academic Achievement Program at Northwestern University. He plans to be a marine biologist.

Wesley is the son of Richard and Lelani Brenz. He has two sisters, Jessica, 21 and Angela, 18.

If you want to be a Farmington Observer carrier, please call 591-0500

Find out what you can expect at our Great Expectations seminar August 20.

Introducing *Great Expectations*, a free seminar for couples who are either thinking of having a baby or are expecting. The seminar prepares you with information on getting pregnant, life style changes which come with parenthood, how to choose a doctor and handling stress. Guest speakers include a physician, psychologist and maternal child health nurse.

After *Great Expectations*, you're invited to our Maternity Open House. Boisford's completely new Special Delivery Center has its own private entrance, waiting room/lobby and direct admission. Our specialized labor/delivery/recovery rooms allow you to stay comfortably in one room during childbirth with easy access to the latest technology.

The Open House will take place from 1:00 p.m. - 4:00 p.m. and will offer self-guided tours and mini-workshops covering topics such as financial planning, day care options and breast feeding versus bottle feeding. There will also be door prizes and free refreshments.

The free seminar is from 8:30 a.m. - 1:00 p.m. and will include a continental breakfast, lunch and a chance to win a weekend getaway. Registration is required and limited. Call (810) 442-7986 for reservations today!
