Family Break up Is Blamed For Many Of Our Troubles

Many people, including our elected officials, now realize that a major cause of crime and violence in this country is the disintegration of family life.

In many instances this can't be helped, as in the case of death or divorce, but it does leave children and teenagers alone without supervision much of the time. They are bored and restless, and easily led into trouble by their peers. Added to that may be the present violence to which they may be subjected on TV, in the movies, in the news and even in video games.

There is no answer, except to increase family togetherness as much as possible, along with parental guidance and understanding. Your House of Worship will teach real values and help to prevent your children from going wrong. Attend it with them whenever you can.

If you want your children to keep their feet on the ground, put some responsibility on their shoulders.
— Abigail Van Buren

"...they shall keep the way of the Lord."

This church DENIES HUMAN Imposition in the eternal salvation of humans. God the Father CHOSE those He desired to save, leave Christ PAID for their sins, the Holy Spirit REGENERATES them and God will GLORIFY them at the last day. Man is totally PASSIVE in these four acts. Acts of faith and good works give EVIDENCE of eternal life.
